The new club kit of club shirt and trousers are being offered at a heavily subsidised price of £20. Thank you to the club and two private donors.

Names are printed bespoke and therefore please ensure **sizing and name on the shirt** (if required) are correct. **There can be no refunds** for incorrect information submitted.

Please indicate if you wish to claim subsidy. Subsidy is available on your first shirt and trouser kit and cannot be claimed at a later date. By choosing not to claim subsidy, the difference of £35 will go towards future club members' initial kits.
